Busted Heart (Hold On To Me)

For King

Winter has come back again
Feels like the season won't end
My faith is dying tonight
And I won't try to pretend
I've got it all figured out
That I don't have any doubts
I've got a busted heart, I need You now
Yeah, I need You now
Hold on to me, hold on to me
Don't let me lose my way, hold on to me
I am the wandering son
Your love is never enough
I keep chasing the wind
Instead of chasing Your love
I'm screaming out Your name
Don't let me fall on my face

I've got a busted heart
I'm in need of a change, yeah, I'm desperate for grace
Hold on to me, take all of me
Don't let me lose my way, hold on to me
Broke Your heart a thousand times
But You've never left my side, you have always been here for me
You never let me go, You never let me go
Don't ever let me go
Hold on to me, hold on to me
Don't let me lose my way, hold on to me
Hold on to me, take all of me
Don't let me lose my way, hold on to me
Until it comes to an end
Soon this season will end
I'll surrender tonight
You meet me right where I am
