

Don't Make Me Wait for Love (with Michael Bolton)

Kenny G

Sitting here just staring
At your picture, waiting for your call
So unclear, I'm hanging on a notion
We could have it all Time and time again
You tell me to be patient
But we can't let love slip away Baby, don't make me wait for love this time
Darlin', a love like this is hard to find
Don't make me wait for love I close the blinds and try to hide
The darkness, fall asleep alone
Give me a sign, a man ain't supposed
To face life, standing on his own When you're near me
I can't help but see forever
Come and rescue me tonight Don't make me wait for love this time
A love like this is hard to find
Don't make me wait for love Don't make me wait for love this time
A love like this is hard to find Baby, darlin'
Baby, darlin'
