

# What Did You Do (With My Love) [Live Mix]

## Double You

[Chorus: 1]

Remember all the love we shared  
But you never thought  
I was at your side

[Chorus: 1]

Remember all the love you gave  
But you never saw  
All my honesty  
You were the ghost in me  
Haunting my dreams  
But I was at your side

[Chorus: 2]

What did you do  
What did you do with my love  
Oh baby

[Chorus: 2] You gave me the best you could

You gave me your heart  
Like nobody else  
Remember all the love we shared  
But I never knew  
I was at your side  
Remember all the dreams we had  
You took them away  
And tore my dignity  
Remember all the love you showed  
But you never came

I was at your side [Chorus: 2 Repeat 6X]
