

Rocketeer

Mannhai

Here we go, come with me
There's a world out there that we should see
 Take my hand, close your eyes
 With you right here, I'm a rocketeer
 Let's fly...
 Up, up here we go, go
 Up, up here we go, go
 Let's fly...
 Up, up here we go, go
 Where we stop nobody knows, knows
 Where we goin' we don't need roads, roads
 And where we stop nobody knows, knows
 To the stars if you really want it
 Got, got a jetpack with your name on it
 Above the clouds in the atmosphere, phere
 Just say the words and we outta here, outta here
 Hold my hand if you feeling scared, scared
 We flying up, up outta here
 Here we go, come with me
 There's a world out there that we should see
 Take my hand, close your eyes
 With you right here, I'm a rocketeer,
 Let's fly...
 Up, up here we go, go
 Up, up here we go, go
 Let's fly...
 Up, up here we go, go,
 Where we stop nobody knows, knows

 Baby, we can stay fly like a G6
 Shop the streets of Tokyo, get you fly kicks
 Girl you always on my mind, got my head up in the sky
 And I'm never looking down feeling priceless, yeah
 Where we at, only few have known
 Go on the next level, Super Mario
 I hope this works out, Cardio
 'Til then let's fly, Geronimo
 Here we go, come with me
 There's a world out there that we should see

Take my hand, close your eyes
With you right here, I'm a rocketeer
Nah, I never been in space before
But I never seen a face like yours
You make me feel like I could touch the planets
You want the moon, girl watch me grab it
See I ain't never seen the stars this close
You got me struck by the way you glow
I'm like, oh, oh, oh, oh
I'm like, oh, oh, oh, oh
Here we go, come with me
There's a world out there that we should see
Take my hand, close your eyes
With you right here, I'm a rocketeer
Let's fly...
Up, up here we go, go
Up, up here we go, go
Let's fly...
Up, up here we go, go
Where we stop nobody knows, knows, knows
