

One Foot Boy

MIKA

What's a matter with going places?
Take that gross look off your faces
Empty loving makes me seasick
What you're here for, I don't need it I'll say nothing on your microphone
Till you swear to take me home
There's a one foot boy, eleven stone
He's sitting on my shoulder I'm too scared to look away
He comes here almost everyday
And everyday I push him off
And tell him, boy, we're over My, oh my, I think my mind is gone
I'm left here wondering was I crazy all along?
What do I do? Nothing left but pray
Gonna shoot somebody
Help me drive this craziness away
I'm happy on my own One foot boy, one foot boy
(I'm happy on my own)
One foot boy, one foot boy
(I'm happy on my own) One foot boy, one foot boy
(I'm happy on my own)
One foot boy, one foot boy
(I'm happy on my own) Say you like me not with changes
Shut up and forget it these are my faces
All these colors that surround me
All these places only drown me I'll say nothing on your microphone
Till you swear to take me home
There's a one foot boy, eleven stone
He's sitting on my shoulder I'm too scared to look away
He comes here almost everyday
Everyday I push him off
And tell him boy we're over My, oh my, I think my mind is gone
I'm left here wondering was I crazy all along?
What do I do? Nothing left but pray
Gonna shoot somebody
Help me drive this craziness away
I'm happy on my own I think my mind is gone
I'm left here wondering was I crazy all along?
What do I do? Nothing left but pray
Gonna shoot somebody
Help me drive this craziness away

I'm happy on my own What's a matter with going places?

(I'm happy on my own)

Take that gross look off your faces

(I'm happy on my own)

Empty loving makes me seasick

(I'm happy on my own)

What you here for, I don't need it

(I'm happy on my own) One foot boy, one foot boy

(I'm happy on my own)

One foot boy, one foot boy

(I'm happy on my own) One foot boy, one foot boy

(I'm happy on my own)

One foot boy, one foot boy

(I'm happy on my own)
