Take Alarm

Birth Control

It is a cryin', a cryin' disgrace
We've got the world taped
Darwin has told us, it is no mistake
We're comin' from apesWe got the power to gear down the gear
'Cause we don't see the way clear
In all directions there's growin' a tear
Nothin' will bring up the rearWe need protection from killin' ourselves
We're gonna be put on the shelf of the universe
We're full of action, we're busy like hell
But don't we lose sense of smell
We're joggin' on, we run into debts
We kill mother earth, some hat less than upset
Take alarm, take alarm, take alarm
Take alarm, take alarm
Don't you feel no pain?We got the power to gear down the gear
'Cause we don't see the way clear
In all directions there's growin' a tear
Nothin' will bring up the rear
We're joggin' on, we run into debts
We kill mother earth, somewhat less than upset
Take alarm, take alarm, take alarm
Take alarm, take alarm
Yeah, yeah, yeah
Take alarm, take alarm, take alarm
Take alarm, take alarm
