

Sunshine Girl

Britt Nicole

Did you wake up on the right or the wrong side of the bed today?
Maybe your mornings running right on time or a little late
Head out, traffics slow on the interstate, take the back way
Will this be a good or a bad day? Well, dont you worry I could be your sunshine girl or the company for your
misery
I could be the quiet one or the life of the party
Whatever you need, Im your girl
I could be your sunshine girl When you show up does everybody smile and wave or look away?
Are you feeling beautiful or is this a bad hair day?
Maybe youre falling so in love or your heart is about to break
Will this be a good or a bad day? Well, either way, yeah I could be your sunshine girl or the company for your
misery
I could be the quiet one or the life of the party
I could be your sunshine girl or the company for your misery
I could be the quiet one or the life of the party
Whatever you need, Im your girl Oh, go ahead freak out, Im gonna stay
So if youre happy or sad, well baby you can look my way I could be your sunshine girl or the company for your
misery
I could be the quiet one or the life of the party, yeah
I could be your sunshine girl or the company for your misery
I could be the quiet one or the life of the party I could be your sunshine girl or the company for your misery
I could be the quiet one or the life of the party
Whatever you need
Whatever you need, Im your girl
Go ahead sunshine I could be your sunshine, I could be your sunshine girl
I could be your sunshine, I could be your sunshine
I could be your sunshine girl, I could be your sunshine
I could be your sunshine, I could be your sunshine
