The Weakness In Me

Keisha White

I'm not the sort of person
Who falls in and quickly out of love
But to you I gave my affection
Right from the startIf I have a lover who loves me
How could I break such a heart
Yet you still get my attention
Right from the startWhy do you come here
When you know I've got troubles enough?
Why do you call me
When you know I can't answer the phone?You make me lie when I don't want to
And you make someone else
Some kind of unknowing fool
you make me stay when I should not
Are you so strong or is the weakness in meWhy do you come here
And pretend to be just passing by?
But I need to see you
And I need to hold you tightlyFeeling guilty, worried
Waking from tormented sleep
Oh, this old love has me bound
But the new love cuts deepif I choose now, I'll lose out
cause one of you has to fall
And I need you and youWhy do you come here
When you know I've got troubles enough?
Why do you call me
When you know I can't answer the phone?You make me lie when I don't want to
And make someone else
Some kind of an unknowing fool
you make me stay when I should not
Are you so strong or is the weakness in me (X2)Why do you come here
And pretend to be just passing by?
When I need to see you
And I need to hold you tightly
