

Don't Let Your Chance Go By

The Jeff Healey Band

Well, in case you haven't noticed
The girl's in love with you
But you just seem to ignore her
Tell me what you tryin' to do?
Instead of looking the other way
You outta give her the eye
'Cause if, she wants to love you
Don't let your chance go by
Well, now look at her man
She got blue eyes and long blond hair
And you know pretty girls like that
You just don't see everywhere
Yea, start cashin' in on your good fortune
Boy go on and give her a try
'Cause if, she wants to love you
Don't let your chance go by

Well, I've known you for a long time
You know I don't give no jive
And I know she's got some loving
That'll help keep you alive
And if you turn that poor little girl down
You're gonna make her cry
'Cause if she wants to love you
Don't let your chance go by
Yea, she wants to love you
Don't let your chance go by
Woo yea, she wants to love you
Don't let your chance go by
I say it again, don't let your chance go by
One more time, don't let your chance go by
