Need You Around

Smoking Popes

If I could see into your heart
Then would I know just where to start?
'Cause I'm lost and I need to be found
Crazy as it sounds, I need you aroundIf I could stand to be on my own
Then I would probably just leave you alone
But I'm gonna feel this way till I'm six feet underground
Crazy as it sounds, I need you aroundTurning, tossing and turning
My love is burning me downIf I could change one thing in this world
I'd change your mind and make you my girl
'Cause I'm lost and I need to be found
Crazy as it sounds, I need you around
