Downloading Satan

Tub Ring

Been Eleven Days
Since I Stepped Inside My House
No Mas No Mas No Mas No MasThe Noises In The Kitchen
And The Basement Keep Me Out
No Mas No Mas No Mas No MasIt Started With A Modem
And It Ended With A Curse
No Mas No Mas No Mas No MasAnd The Fire In The Window
Make Me Think It's Getting Worse
No Mas No Mas No Mas No MasI Downloaded Satan On My Hard DriveA Lost Soul In Torment
I Took Straight From Hell
He May Not Be Satan
But Evil As WellBroad Band Destroyer
The Hate From Within
Late Nights I Spent
Loading Jpegs Of SinDante Skipped A Level
For The Either Net Impaired
No Mas No Mas No Mas No MasWhile Satan Can Upgrade
For The Minions In His Lair
No Mas No Mas No Mas No MasBinary Tendrils And
The Blood Of Innocent
No Mas No Mas No Mas No MasAwaiting A Connection While
The Souls Of Good Ferment
No Mas No Mas No Mas No MasKnowledge Is The Source Of Power
Holy Water Starts To SourChaos As They Run And Cower
Welcome To Your Final HourKnowledge Is The Source Of Power
Holy Water Starts To SourOne Megabyte You're Dead
