

# Fire Eye'd Boy

## Broken Social Scene

Until the day you die, you'll always admit  
That You were right, you were right  
About all those things Fire eye'd boy give 'em all the slip  
Fire eye'd boy give 'em all the slip  
If you gonna come you better make it quick  
Fire eye'd boy give 'em all the slip Until the day I die, Columbia I blame  
Let us burn, back to life  
To do it all again Fire eye'd boy give 'em all the slip  
Fire eye'd boy give 'em all the slip  
If you gonna come you better make it quick  
Fire eye'd boy gets his as quick Fire eye'd boy give 'em all the slip  
Fire eye'd boy give 'em all the slip  
If you gonna come you better make it quick  
Fire eye'd boy give 'em all the slip Fire eye'd boy give 'em all the slip  
Fire eye'd boy give 'em all the slip  
If you gonna come you better make it quick  
Fire eye'd boy gets his as quick
