

You Take My Soul by Storm

Carolyn Arends

There's an eerie stillness in my soul
A cold complacency
It's been too long since I felt the Holy Ghost
Stirring in me
But I know it's just the calm before the storm
Soon a light will pierce the dark
'Cause almighty God, You'll move heaven and earth
To move in my heart[Chorus]
Like the mighty winds of a hurricane
You'll come rushing in when I call Your name
And let Your love come down
You take my soul by storm
Then I'll feel your Spirit moving me
And You'll lift me up where I need to be
'Cause when Your love comes down
You take my soul by storm
You take my soul by storm There's a strange new fragrance in the air
The promise of sweet rain
I know it won't be long till the force of Your love
Sweeps me away
Whenever I have let this distance grow
Between Your heart and mine
You have poured out Your spirit on my thirsty soul
So I know this time....[Repeat Chorus]
