

# Warning(Bluegrass Pickin On Green Day A Tribute)

## Green Day

This is a public service announcement

This is only a test

Emergency evacuation protest

May impair your ability to operate machinery

Can't quite tell just what it means to me

Keep out of reach of children

Don't you talk to strangers

Get your philosophy from a bumper stickerWarning, live without warning

I say a warning, live without warning

Without, AlrightBetter homes and safety-sealed communities

Did you remember to pay the utilities?

Caution: police line: you better not cross

Is the cop or am I the one that's

Really dangerous?

Sanitation, Expiration date, Question everything

Or shut up and be a victim of authorityWarning, live without warning

I say a warning, live without warning

I say a warning, live without warning

I say a warning, live without warning

Without Alright!Better homes and safety-sealed communities

Did you remember to pay the utilities?Caution: police line: you better not cross

Is the cop or am I the one that's

Really dangerous?

Sanitation, Expiration date, Question everything

Or shut up and be a victim of authorityWarning, live without warning

I say a warning, live without warning

I say a warning, live without warning

I say a warning, live without warningThis is a public service announcement

This is only a test
