

Take My Heart Back

[Jennifer Love Hewitt](#)

It'll be alright, you said tomorrow
Don't you cry, don't you shed a tear
When you wake up I will still be here
When you wake up we'll battle all your fears And now I'll take my heart back
Leave your pictures on the floor
Steal back my memories
I can't take it anymore I've cried my eyes out
Oh, and now I face the years
The way you loved me
Vanished all the tears Just a lil' more time was all we needed
Just a lil' time for me to see
Ooh, the light that live can give you
Ooh, how it can set you free So now I'll take my heart back
Leave your pictures on the floor
Steal back my memories
I can't take it anymore I've cried my eyes out
Oh, and now I face the years
The way you loved me
Vanished all the tears
