

# Touch The Sky (featuring Lupe Fiasco)

## Kanye West

Feat Lupe Fiasco(Kanye)

I gotta testify, come up in the spot looking extra Fly... For the  
Day i die, I'ma touch the Sky...

Gotta testify, come up in the spot looking extra Fly... For the Day i die, I'ma touch the Sky  
Back when they thought pink Colors'll hurt the R.O.C

Before Cam got the shit to pop

The doors is closed

I felt like Bad Boy's Street Team

I couldn't work the L.O.X

Now lets go...

Take em back to the plan

Me and my momma hopped in that UHaul Van

Any pessimist I aint talk to them

Plus I aint have no Phone in my apart- a-ment(apartment)

Let's take em back to the club

Least about an Hour I stand on Line

I just wanted to dance

I went to Jacob an hour after I got my advance

I just wanted to shine

Jay's favorite Line "Dawg in due Time"

Now he look at me Like " damn, dawg you what I am"

A hip hop legend

I think i died in the accident

'cause this must be heaven! I gotta testify, come up in the spot looking extra Fly... For the

Day i die, I'ma touch the Sky...

Gotta testify, come up in the spot looking extra Fly.(yeah)...For the

Day i die, I'ma touch the SkyNow let them High a i i i i. la la la la la (top of the world baby, on top of  
the world!)

(Repeats 2X)

Back when Gucci was the shit to rock

Back when slick rick got the shit to pop

I do anything to say i got it

Damn those new loafers hurt my pocket

Before anybody wanted K. West beats

Me and my girl spent a buffet at KFC

Dawg i was having nervous breakdowns

Like man these niggas that much better then me?

Baby, Im going on a Aeroplane

And i don't know if I'll be back again

Sure enough I sent the plane tickets  
But when she came to kick it  
Things became diffrent  
Any girl i cheated on  
Sheets is skeeted on  
Couldnt keep it at home  
Thought i needed a Nia Long  
Im trying to right my wrongs  
But it's funny them same wrongs help me right this song  
NOWI gotta testify, come up in the spot looking extra Fly... For the  
Day you die, you gon touch the Sky you gon touch the sky Baby Girl!  
Testify, come up in the spot looking extra Fly... For the  
Day you die. You gon touch the SKY!  
(Lupe Fiasco)  
Yes! Yes! Yes!  
Guess whos on Third  
Lupe steal Like Lupin the Third  
Here like ear til I'm beer on the curb  
Peach fuzz buzz but beard on the verge  
Lets slow it down like were on the syyurp  
Bottle shaped body like Mrs Butter worth  
But, before you say another word  
Im back on the block like im man on the street  
Im trying to stop lying (Lion) like I'm Mum Ra  
But im not lying when im laying on the beatEn Garde--Touche' Lupe cool as the unthawed  
But i still feel possessed as a gun charge  
Come as correct as a Porn star  
In a fresh pair of steps in my best foreign Car  
So, i represent the first  
Now let me end my verse right where the hornsAre Like Unhhh  
I gotta testify, come up in the spot looking extra Fly... For the  
Day you die, you gon touch the Sky you gon touch the sky Baby Girl!  
Testify, come up in the spot looking extra Fly... For the  
Day you die. You gon touch the SKY!  
We back at home baby, Yeah  
Sky high  
Im, Im sky high (Repeats 4 times)  
Sky Ungh Sky high  
Im Im Sky high  
Yeah keep it rolling ...Yeah!  
Ungh  
Feels good to be home, baby(echoing)
