Finally Falling

Mayer Hawthorne

I used to be
A soldier for the single life
I used to think
I'd be the last man standing from '79
I used to say
That love was just a masquerade
I used to lie awake at night
Just thinking, if I'd ever know
But the day that you came into my life
I started to believe it was possible
There's a feeling so unstoppable
I can't control
Could it be
I'm finally falling
I'm starting to think it's true
Could it be
I'm finally falling
I'm falling for you
Oh, I'm falling for you
I used to be
The envy of my married friends
I used to get all of the girls
Phone numbers and I'd never call
I used to say
That love will never tie me down
I'd be a rider, damn man, strong cowboy
My back to the wall

But the day that you came into my life
I started to believe it was possible
There's a feeling so unstoppable
I can't control, can't control
Could it be
I'm finally falling
I'm starting to think it's true
Could it be
I'm finally falling
I'm falling for you
Oh, I'm falling for you

I never knew that I would find
With this old jaded heart of mine
Someone so sweet and fine
I could be with all the lifetime
Now could it be
I'm finally falling
I'm starting to think it's true
Could it be
I'm finally falling
I'm falling for you
Could it be
I'm finally falling
Lord knows I'm overdue
Could it be
I'm finally falling
I'm falling for you
Oh, I'm falling for you
