I could have danced all night

Sinatra

Bed! Bed! I couldn't go to bed!
My head's too light to try to set it down!
Sleep! Sleep!
I couldn't sleep tonight.
Not for all the jewels in the crown!

I could have danced all night!
I could have danced all night!
And still have begged for more.
I could have spread my wings
And done a thousand things I've never done before.
I'll never know What made it so exciting;
Why all at once My heart took flight. I only know when he
Began to dance with me I could have danced,
danced, danced all night!

I could have danced all night!
I could have danced all night!
And still have begged for more.
I could have spread my wings
And done a thousand things I've never done before.
I'll never know What made it so exciting.
Why all at once my heart took flight.
I only know when he
Began to dance with me.
I could have danced, danced danced all night!
