

Of The Girl (Instrumental 2000)

Pearl Jam

Oh, he deals 'em off, off the top, ties 'em off
Fills it up with his past, gets carried away
Oh, half his life, a hand-me-down, wasted away
Oh, he fills it up with the love of a girl Oh, he left it alone, drilled the pain with money to buy
How he makes his
getaway
How he makes his getaway Oh, he chose a path, heavy the fall, quarter to four
Fills his mind with the thought of a girl
