Shame on you
Shame on youHey Your love away from me
You can't hide
Hey Your love away from me
But shame on youHey Your love away from me
You can't hide
Hey Your love away from me
But shame on youHey Your love away from me
You can't hide
Hey Your love away from me
But shame on youOh no, still you can, and I'll be lonely
Shame on you
Oh no, still you can, and I'll be lonely
Shame on youHey Your love away from me
You can't hide
Hey Your love away from me
But you can't hide
Hey Your love away from me
But shame on you
Hey Your love away from me
But shame on youOh no, still you can, and I'll be lonely
Shame on you
Oh no, still you can, and I'll be lonely
Shame on youShame on you
Shame on you
Shame on you
Shame on youShame on you
Shame on you
Shame on you
Shame on youShame on you
Shame on you
Shame on you
Shame on youShame on you
Shame on you
Shame on you
Shame on youShame on youMy favorite song
My favorite song
Reminds me of the first time I went to space
It was such a long journey

It took hours, days, years
But when it was over...Oh, it takes me back
That takes me back to the first time
I stepped into space
You were there
You were there with all my best friendsI remember
I remember the look on your face
The way you said, with your eyes.
You saidAnd then I slipped out of the Sun's sphere of influence
Nothing was happening
It was so dizzyingAnd then you took everything from me
I was left here, a shell of my self
I was left here to pick up the pieces
And every piece was...la
Give me loveThat's when you saved me
At the last possible moment
You brought you big hand out
And scooped up my shit
And took me homeThat day you gave a new faith
In how people can save one another
Instead of always putting out their hands
To crushWhen you're out in space
You feel so good
Nanana nanana nanana nanaWhen you're out in space
You feel so good
Nanana nanana nanana nanaWhen you're out in space
You feel so good
Nanana nanana nanana nanaWhen you're out in space
You feel so goodWhen you're out in space
You feel so good
Nanana nanana nanana nanaWhen you're out in space
You feel so goodWhen you're out in space
You feel so good
Nanana nanana nanana nanaWhen you're out in space
You feel so good
