

Angel By Your Side (Unplugged) [Bonus Track]

Francesca Battistelli

I can't say that everything's okay
'Cause I can see the tears you're crying
And I can't promise to take the pain away
But you can know I won't stop trying I'll be the angel by your side
I will get you through the night
I'll be the strength you can't provide on your own
'Cause when you're down and out of time
And you think you've lost the fight
Let me be the angel
The angel by your side I know it feels like you're running out of faith
'Cause it's so hard to keep believing
But if I can bring a smile back to your face
If for a moment, you'll forget all about it I'll be the angel by your side
I will get you through the night
I'll be the strength you can't provide on your own
'Cause when you're down and out of time
And you think you've lost the fight
Let me be the angel
The angel by your side 'Cause this won't be the last time
You'll need a little hope
But I want to be the first to let you know I'll be the angel by your side
I will get you through the night
I'll be the strength you can't provide on your own
'Cause when you're down and out of time
And you think you've lost the fight
Let me be the angel
The angel by your side
