Homesick

The Vines

I left my home
I left my home Yeah Yeah
Where I should go
Where I should go Yeah Yeah

Nothin's gonna save you
Nothin's gonna save you out there

Went on my own
Went on my own Yeah Yeah
Without my phone
Without my phone Yeah Yeah

Nothin's gonna save you
Nothin's gonna save you out there
Nothin's gonna save you
Nothin's gonna save you or give

I can see the leaves of golden glisten in the sun
Making time for everyone is what I should have done
Blue and green with eyes between are acting all the same
You and me are never free until we're cast away

But it really doesn't matter couldn't change it if I tried
Though it really doesn't matter
I'll do it till I get it right
