

# Homesick

## The Vines

I left my home  
I left my home Yeah Yeah  
Where I should go  
Where I should go Yeah Yeah

Nothin's gonna save you  
Nothin's gonna save you out there

Went on my own  
Went on my own Yeah Yeah  
Without my phone  
Without my phone Yeah Yeah

Nothin's gonna save you  
Nothin's gonna save you out there  
Nothin's gonna save you  
Nothin's gonna save you or give

I can see the leaves of golden glisten in the sun  
Making time for everyone is what I should have done  
Blue and green with eyes between are acting all the same  
You and me are never free until we're cast away

But it really doesn't matter couldn't change it if I tried  
Though it really doesn't matter  
I'll do it till I get it right
