

# I Love the Sound of Crashing Guitars

## Roxette

Mao mao mao  
Mao mao mao  
Mao mao mao  
Mao mao mao I love the sound of smashing guitars  
I love the sound of crashing guitars  
Red guitars against the wall  
Big guitars can turn so small  
I love the sound of crashing guitars Show it The 6-string kick inside  
The 6-string kick inside  
The 6-string kick inside I love the sound of breaking guitars  
I love the sound of crashing guitars  
Hey, you long haired vintage Jesus  
Break the guitar into a 1000 pieces  
I love the sound of crashing guitars Don't you? The 6-string kick inside  
The 6-string kick inside  
Mao mao mao  
Mao mao mao Don't you love the sound of crashing guitars?  
Don't you love the sound of crashing electric guitars?  
Don't you love that sound drivin' in your car  
Don't you love the sound of crashing electric guitars?  
Don't you? Don't you I love the touch of watching the stars  
I love the sound of trashing guitars  
Custom made Townshend's axe  
Smash the axe and break the case  
I love the sound of crashing guitars  
Crashing and crashing The 6-string kick inside  
The 6-string kick inside  
Mao mao mao  
Mao mao mao I love the sound of crashing guitars  
I love the sound of crashing guitars  
I love the sound of crashing guitars  
I love the sound of crashing guitars  
I love the sound of crashing guitars
