Nothing But the Blood (LP Version)

Randy Travis

What can wash away my sins?
Nothing but the blood of Jesus
What can make me whole again?
Nothing but the blood of JesusOh, precious is that flow
That makes me white as snow
No other fount' I know
Nothing but the blood of JesusWhat can wash away my sins?
Nothing but the blood of Jesus
What can make me whole again?
Nothing but the blood of JesusOh, precious is that flow
That makes me white as snow
No other fount' I know
Nothing but the blood of JesusOh, precious is that flow
That makes me white as snow
No other fount' I know
Nothing but the blood of JesusNothing but the blood of Jesus
Nothing but the blood of Jesus
