Falak Tak Remix

DJ Zedi

Dj_ zedi.....
Gone gone gone gone
Girl you know you got me gone
Nelly got me gone, gone, gone, gone
Don't you know you got me gone

Falak tak chal saath mere
Falak tak chal saath chal
Falak tak chal saath mere
Falak tak chal saath chal
Yeh badal ki chaadar
Yeh taaro ke anchal
Mein chup jaye hum, pal do pal
Hooo..oo..
(Falak tak chal saath mere
Falak tak chal saath chal) â€” (2)

Chal woh chowbare dhonde, gin mein chahat ki boonde
Sach kar de sapno ko sabhi
Hooo..
Aankho ko neeche neeche, mein tere peeche peeche
Chal du jo keh de tu abhi
Bahron ke chaat ho, dua oon ka haat ho
Padthe rahe yeh gazal
Hoo..ohh
(Falak tak chal saath mere
Falak tak chal saath chal) â€”- (2)

Dj_zedi.....

Remember that chick that used to live right up the block from me
I seen her yesterday and she still fly
She still right, still tight, still fine
Yep I still wanna make her mine
I want much more than just a moment
She I aint tryna lease or try to rent I'm tryna own it
Yeah, this time I'll make my move, this time I'll show improve
To prove that I'm really irreplaceable
Plus I don't know if she's ever been told
But I got whatever she needs, yeah

And whichever way we go
No-one could ever take what we've got right here between one another
Don't care what they say, you could be my lover
And if its in love baby, I wanna fall
Just promise me baby
You'll be here, through it all

I'll do it again if I have to
Throw this money at you
Girl you know you got me gone
I'll do it all again if I have to
You aint gotta ask boo
Boy you know you got me gone

Kelly got me gone, gone, gone, gone
Girl you know you got me gone
Nelly got me gone, gone, gone, gone

Suraj ko huyi hai rarat, raaton ko kare shararat
Bheita hai khidki pe teri
Haaannnn
Is baat pe chand bhi bigda, kathra kathra woh pigla
Bhar aaya aankho mein meri
Toh suraj bhuja doon, tujhe mein saja doon
Savera ho tujh se hi kal
Hoooâ€¦oo.
(Falak tak chal saath mere
Falak tak chal saath chal) â€” (2)

Yeh badal ki chaadar
Yeh taaro ke anchal
Mein chup jaye hum, pal do pal
Hooo..oo..
(Falak tak chal saath mere
Falak tak chal saath chal) â€” (4)
