

Glitter & Glue

Ultimate Fakebook

I've never seen your glitter shine so see through as right here
I've been between myself on me and you
Is it good enough for a run?
Is it good enough for the fun?
Now you've made me see and I'm excited 'cuz Now it's a no, now it's a big no
Is that honest enough for you?
So now that you know it's all there
I'll sit and watch you go
And I ain't findin' it hard to do I can't believe I never saw all these clues, they're right here
Like silver sprinkles in your skin of glue
Did it look good enough for a run?
Did it look good enough for the fun?
Always wait to see if I'll just buy it, but Now it's a 'no, now it's a big no
Is that honest enough for you?
So now that you know it's all there
I'll sit and watch you go
And I ain't findin' it hard to do
