Showbiz Blues

Rattlesnake Guitar

Tell me anybody
Do you really give a damn for me?
I said tell me anybody
Do you really give a damn for me?
'Cause I just got to tell you
'Bout a thing that's botherin' me, yeah
I was a ramblin' pony
I would roll, I would roll
I would roll from town to town
I was a ramblin' pony
People I would roll from town to town
Yes just looking for a sweet woman
And makin' all my love come on down, yeah

If I needed anybody
Baby I would take ya home with me
If I need anybody
Baby I would take ya, baby I would take ya
Baby I would take ya home with me
But I don't need anybody
Don't need anybody but him and me
And you're sittin' there so green
Believe me man I'm just the same as you, yeah
Said you're sittin' there so green
Believe me man I'm just the same as you
Do you want me to make a last cry or be satisfied?
That's exactly what I mean to do
