

Slav'sya, Rus'!

Arkona

Velika Mat'-Zemlja, Rus' velikaja!
Oj, široki prostory tvoi.
Kak chrez zlatye polja beskrajnie,
Deti Dazhd'boga prishli. Cherez debri vekovye,
Skvoz' dalekie kraja,
Vyshli bratija rodnye
To Dazhd'boga synov'ja.
Stjagi groznye vzdymaja,
Vozrodim byluju Rus'!
Sohranim zavety Pravi ?
Pred Bogami ja kljanus'! Oj-da, matushka,
Nochka-Svarogovna,
Skroj sedye zavety otcov
Ot glaza chernogo ljuta voroga
V guwe svjavennyh lesov. Snova, serdcem zamiraja,
Slovo molvila, chut' dysha:
Slav'sja, Matushka rodnaja!
Slav'sja, Russkaja dusha!
Cherez debri vekovye
Skvoz' dalekie kraja
Molvim bratija rodnye
Slavsya Rus' Zemlja Moja.
