

Paralyzer

Finger Eleven

I hold on so nervously to me and my drink

I wish it was cooling me

But so far has not been good, it's been shitty

And I feel awkward, as I shouldThis club has got to be the most pretentious thing

Since I thought you and me

Well, I am imagining a dark lit place

Or your place or my place!Well I'm not paralyzed but I seem to be struck by you

I wanna make you move because you're standing still

If your body matches what your eyes can do

You'll probably move right through me on my way to youI hold out for one more drink before I think

I'm looking too desperately

But so far has not been fun, I should just stay home

If one thing really means oneThis club will hopefully be closed in three weeks

That would be cool with me

Well, I'm still imagining a dark lit place

Or your place or my place!Well I'm not paralyzed but I seem to be struck by you

I wanna make you move because you're standing still

If your body matches what your eyes can do

You'll probably move right through me on my way to youWell I'm not paralyzed but I seem to be struck by you

I wanna make you move because you're standing still

If your body matches what your eyes can do

You'll probably move right through me on my way to youNot paralyzed but I seem to be struck by you

I wanna make you move because you're standing still

If your body matches what your eyes can do

You'll probably move right through me on my way to you!

You'll probably move right through me on my way to you!

You'll probably move right through me on my way to you!
