Comme CaYou got the fever
and you know you can't let go.
Cause you're body's moving so hot, hot,
music's sounding so hot, hotYou got the fever
and you know you can't let go.
Cause you're body's moving so hot, hot,
music's sounding so hot, hotYou got the fever
and you know you can't let go.
Cause you're body's moving so hot, hot,

and you know you can't let go.
