

With You (Tracy Young Remix)

Chris Brown

I need you boo, I gotta see you boo
And the hearts all over the world tonight,
Said the hearts all over the world tonight I need you boo, I gotta see you boo
And the hearts all over the world tonight,
Said the hearts all over the world tonight Hey! Little mama, oh, you a stunna'
Hot, lil' figure, yes, you a winner
And I'm so glad to be yours,
You're a class all your own
And, oh, little cutie, when you talk to me
I swear, the whole world stops, you're, my sweetheart
And I'm so glad that you are mine, you are one of a kind And you mean to me what I mean to you and together
baby,
There is nothing we won't do
'Cause if I got you, I don't need money,
I don't need cars, girl, you're my all And oh! I'm into you, and girl, no, one else would do,
'Cause with every kiss and every hug,
You make me fall in love,
And now I, no I can't be the only one,
I bet his heart's all over the world tonight,
With the love of his life who feel
What I feel when I'm with you, with you, with you, with you, with you girl,
With you, with you, with you, with you, with you Oh girl! I don't want nobody else,
Without you, there's no one left then,
You're like Jordan's on Saturday,
I gotta have you and I cannot wait now,
Hey! little shawty, say, you care for me,
You know, I care for you, you know, that I'll be true,
You know, that I won't lie, you know, that I would try,
To be your everything yeah 'Cause if I got you, I don't need money,
I don't need cars, girl, you're my all Oh! I'm into you, and girl, no, one else would do,
'Cause with every kiss and every hug,
You make me fall in love,
And now I, no I can't be the only one,
I bet his heart's all over the world tonight,
With the love of his life who feel
What I feel when I'm with you, with you, with you, with you, with you girl,
With you, with you, with you, with you, with you And I, will never try to deny,
'Cause you are my whole life,
And if you ever let me go,

I would die so I won't front,
I don't need another woman,
I just need your all and nothing,
'Cause if I got that,
And I'll be straight

Baby, you're the best part of my day I need you boo, I gotta see you boo
And the hearts all over the world tonight,
Said the hearts all over the world tonight I need you boo, I gotta see you boo
And the hearts all over the world tonight,
Said the hearts all over the world tonight Oh! I'm into you, and girl, no, one else would do,
'Cause with every kiss and every hug,
You make me fall in love,
And now I, no I can't be the only one,
I bet his heart's all over the world tonight,
With the love of his life who feel
What I feel when I'm with you, with you, with you, with you, with you girl,
With you, with you, with you, with you, with you With you, with you, with you, with you, with you, with you,
With you, with you, with you, with you, with you, with you, hey yeah
