

Superfreak

Rick James - Superfreak

she's a very kinky girl
the kind you don't take home to mother
she will never let your spirits down
once you get her off the streets she likes the boys in the band
she says that i'm her all time favourite
when i make my move to her room it's the right time.
she's never hard to please that girl is pretty wild now
that girls a superfreak
the kind of girl you read about
in new wave magazine that girl is pretty kinky
the girls a superfreak
i really love to chase her
every time we meet she's all right
she's all right
that girls all right with me
yeah hey hey hey she's a superfreak, superfreak
she's super freaky everybody sings superfreak, superfreak she's a very special girl
from her head down to her toenails down to her feet ya she'll wait for me in backstage with her girlfriends
