

If You Were Me (feat.Elton John)

Chris Rea

If you were me
And I was you
If you had to play my part out
What would you doTwo crazy stories,
Two different views
If you were me
And I was youIf you were me
And I was you
What kind of crazy things
Would I have to doWho likes to party
Who stays at home
If you were me
And I was youNever like strangers
Though never the same
Two circus side-shows
And laughter in the rainYou stay with the full moon
You search for the stars
Thank God it's heaven
Here we both areIf you were me
And I was you
If you had to play my part out
What would you doTwo crazy stories,
Two different views
If you were me, if you were me
If you were me and I was you
