

# The Christmas Blues

**Sammy Cahn**

The jingle bells are jingling  
The streets are white with snow  
The happy crowds are mingling  
But there's no one that I know I'm sure that you'll forgive me  
If I don't enthuse  
I guess I've got the Christmas blues I've done my window shopping  
There's not a store I've missed  
But what's the use of stopping  
When there's no one on your list You'll know the way I'm feeling  
When you love and you lose  
I guess I've got the Christmas blues When somebody wants you  
Somebody needs you  
Christmas is a joy of joy  
But friends, when you're lonely  
You'll find that it's only  
A thing for little girls and little boys May all your days be merry  
Your seasons full of cheer  
But till it's January  
I'll just go and disappear Old Santa may have brought you  
Some stars for your shoes  
But Santa only brought me the blues  
Those brightly packaged  
Tinsel covered Christmas blues Old Santa may have brought you  
Some stars for your shoes  
But Santa only brought me the blues  
Those brightly packaged  
Tinsel covered Christmas blues
