

Idiot

Escondido

I could by your sidekick, run out to the desert
Hold you when it starts to rain
You know I'd try to love whatever you becameBut I'm not your idiot
I'm not your idiot
I'm not your idiot now
Now, nowYou know I miss the times you wanted to me
You know I tried to ease your pain
But I got nothing left to give you now I changedBut I'm not your idiot
I'm not your idiot
I'm not your idiot now
Now, now
'Cos I'm not your idiot
I'm not your idiot
I'm not your idiot
No I'm not your idiot
I'm not your idiot now
Now, now
