I Hate Everyone

Get Set Go

Some stupid chick in the checkout line
Was paying for beer with nickels and dimes
And some old man who clipped coupons
Had argued whenever they wouldn't take one
All I wanted to was buy some cigarettes
But I couldn't take it anymore so I leftI hate everyone (4x)All the people on the street, I hate you all
And the people that I meet, I hate you all
And the people that I know, I hate you all
And the people that I don't, I hate you all
Oh, I hate you allSome fucking asshole just cut me off
And gave me the finger when I fucking honked
Then he proceeded to put on the brakes
He slammed on the brakes, but I made a mistake
When I climbed out of my van he was waiting
But he was six three and two hundred pounds of SatanI hate everyone (4x)All the people on the street, I hate you all
And the people that I meet, I hate you all
And the people that I know, I hate you all
And the people that I don't, I hate you all
Oh, I hate you allI bet you think I'm kidding
But I promise you its true
I hate most everybody
But most of all I hate
Oh, I hate youAll the people on the street, I hate you all
And the people that I meet, I hate you all
And the people that I know, I hate you all
And the people that I don't, I hate you all
And the people in the east, I hate you all
And the people I hate least, I hate you all
And the people in the west, I hate you all
And the people I like best, I hate you all
Oh, I hate you all
