

I Love Your Brain

Frank Black & The Catholics

He was hurting for the answers
He was serving up the questions
He was searching for a guru
He was lucky that he knew you
When I saw your fine physique
I was into you like a train
I love it when you speak
You're so urbane
Oh, I love your brain
Yes, I love your brain
Ooh, I love your brain
Gonna say it again
Love your brain
It's a beautiful brain
Wanna be with your brain
Wanna sleep with your brain
She was looking like a roman
She was cooking it with fire
She was talking right to me
And I couldn't unglue me
Though I am no duke of earl
You are my chatelaine
I love the way the world
drives you insane
I love your brain
Yeah, I love your brain
Ooh, I love your brain
Gonna say it again
Love your brain
It's a beautiful brain
Wanna be with your brain
Wanna sleep with your brain
(I love your brain)
(I love your brain)
(I love your brain)(I love your brain)
(I love your brain)
(I love your brain)
