My Fear (Grindwork 4-Way Split 3'' MCD)

Nasum

Nuclear power plants - tons of growing waste
We spit out toxic shit - of our planet's nothing leftWhy can't we see that pollution ends?!?Suffocation forced upon all living things
we all slowly die and nobody resistsWhy can't we see that pollution ends?!?

Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
