

Uhn Tiss Uhn Tiss Uhn Tiss

Bloodhound Gang

Uhn tiss, uhn tiss, uhn tiss, baby
Dog will hunt, I'm the front-end loader, travoltin' over
So try my slam on for size

Drive stick with that Kung-Fu grip, let the banana split
And watch it go right to your thighs
Copperfield, Copperfield style, abracadabra
That bra, do you think I can pull it off?

Wanna bang around? Just jot me down on your to-do list
Under 'Put out like a fire' Cause I got somethin' and it goes thumpin' like this
All you need is my uhn tiss, uhn tiss, uhn tiss
I got somethin' and it goes thumpin' like this

All you need is my uhn tiss, uhn tiss, uhn tiss
Uhn tiss, uhn tiss, uhn tiss, baby
Edible, strange, how do I get in
your pants

When you're tick-tockin' them
Serious Levis, so tight, can't be classified
That's why I'm here to fill that opening
Make a seasoned pass to mount that ass
And Bob Hope that I might, one night, stand a chance
Let's go, Feng Shui, the fuck around my digs
Like a superball, bring that sunny side up
And I got somethin' and it goes thumpin' like this

All you need is my uhn tiss, uhn tiss, uhn tiss
I got somethin' and it goes thumpin' like this
All you need is my uhn tiss, uhn tiss, uhn tiss
Uhn tiss, uhn tiss, uhn tiss, baby

Uhn tiss, uhn tiss, uhn tiss, baby
Uhn tiss, uhn tiss, uhn tiss
Uhn tiss, uhn tiss, uhn tiss, baby
Uhn tiss, uhn tiss, uhn tiss
Uhn tiss, uhn tiss, uhn tiss, baby

Uhn tiss, uhn tiss, uhn tiss
Uhn tiss, uhn tiss, uhn tiss, baby
Uhn tiss, uhn tiss, uhn tiss
Uhn tiss, uhn tiss, uhn tiss, baby

Uhn tiss, uhn tiss, uhn tiss
Uhn tiss, uhn tiss, uhn tiss, baby
Uhn tiss, uhn tiss, uhn tiss
Uhn tiss, uhn tiss, uhn tiss, baby

Uhn tiss, uhn tiss, uhn tiss
Uhn tiss, uhn tiss, uhn tiss, baby
Uhn tiss, uhn tiss, uhn tiss
Uhn tiss, uhn tiss, uhn tiss, baby

Uhn tiss, uhn tiss, uhn tiss
Uhn tiss, uhn tiss, uhn tiss, baby
Uhn tiss, uhn tiss, uhn tiss
Uhn tiss, uhn tiss, uhn tiss

Uhn tiss, uhn tiss, uhn tiss, baby
Uhn tiss, uhn tiss, uhn tissUhn tiss, uhn tiss, uhn tiss, baby
Uhn tiss, uhn tiss, uhn tiss
Uhn tiss, uhn tiss, uhn tiss, baby
Uhn tiss, uhn tiss, uhn tiss
Uhn tiss, uhn tiss, uhn tiss, baby
Uhn tiss, uhn tiss, uhn tiss, baby
Uhn tiss, uhn tiss, uhn tiss, baby
Uhn tiss, uhn tiss, uhn tiss
Uhn tiss, uhn tiss, uhn tiss, baby
Uhn tiss, uhn tiss, uhn tiss
