This Is Your Life

Slick Shoes

You've had it up to here this time
All talk with no action
You always say, you're at the end of the line
You've got no one to blame, but yourselfYour life, is a result of your bad choices
Pessimist, negativity will be your downfallYou've wasted all this time
Always worrying about the wrong things
Look at yourself, analyze your life
It's not too late to start thinking positiveYour life, is a result of your bad choices
Pessimist, your negativity will be your downfallOne life, is all you have, so get it right
Your fate, your eternity depends on your actions, right nowGet it right
You'll never get it right
You've gotta get it right, this timeGet it right
You've gotta get it right, this timeGet it right
I hope you get it right

I pray you get it right, this timeGet it right
I hope you get it right
I pray you get it right
I hope you get it right
I hope you get it right, this time
