No Regrets

Tom Rush

I know your leavin's too long overdue
For far too long I've had nothin' new to show to you
Goodbye dry eyes I watched your plane
Fade off west of the moon
And it felt so strange to walk away aloneNo regrets, no tears goodbye
Don't want you back, we'd only cry, again
Say goodbye, againThe hours that were yours, echo like empty rooms
The thoughts we used to share, I now keep alone
I woke last night and spoke to you,
not thinking you were gone
It felt so strange to lie awake, aloneNo regrets, no tears goodbye
Don't want you back, we'd only cry, again
Say goodbye, againOur friends have tried to turn my nights to day
Strange faces in your place can't keep the ghosts away
Just beyond the darkest hour, just behind the dawn
Still feels so strange to lead my life, aloneI've no regrets, no tears goodbye
Don't want you back, we'd only cry, again
Say goodbye, again
