Broken Social Scene

Well I'm just coming here to come down
I could be here and I could move town
Put my suits right on the guest list
Saw my pa's boy, became weightless And I'm all hooked up
I'm all hooked up
I'm all hooked up
I'm all hooked up Drippy street caught me believing
Spilt their eyes on all the ceilings
Forced to live like it's a curfew
Translation, it means I love you And I'm all hooked up
I'm all hooked up
I'm all hooked up
I'm all hooked up Yea yea yea yea yea
Yea yea yea yea yea
Yea yea yea yea yea I'm just coming here to come down
I could be here, I could move town
Forced to live like it's a curfew
Translation, it means I love you And I'm all hooked up
I'm all hooked up
I'm all hooked up
I'm all hooked up
