Long Time Dead

Shed Seven

You're a long time dead
So I'll forget that you said
If I can't have you
Nobody can have you
Nobody can have you
Nobody can have you
I think you stopped learning
Cause you think you know everything,
and you do
You're a long time dead
So I'll forget that you said
If I can't have you
Nobody can have you
Nobody can have you
Nobody can have you
Was it off the top of your head
Did you mean what you said
Do you like me enough
Do you like me because I can't have you
Nobody can have you
Was it off the top of your head
Did you mean what you said
Do you like me enough
Do you like me because I care
