Jesus I'm a broken man
A broken man
A broken man
Jesus I'm a broken man
Can you make me whole again?
Can you make me whole again?Jesus I'm a broken toy
A broken toy
A broken toy
A broken toy
Jesus I'm a broken toy
Can you make me whole again?Can you make me
Can you make me whole again?Make me
Can you make me whole again?
Make me
Can you make me whole again?Jesus people play with me
They toy with me
Yeah, they mess with me
Jesus make me whole again
Can you undo what's undone?Can you make my
Can you make my soul again?
Can you make my
Can you make my soul again?
