

# Sure Be Cool If You Did

Blake Shelton

I was gonna keep it real like chill like only have a drink or two  
But it turned into a party when I started talking to you  
Now you're standing in the neon looking like a high I wanna be on  
Baby it's your call, no pressure at all You dont have to throw back your pretty pink lemonade shooter and lean a  
little closer  
You dont have to keep on smiling that smile thats driving me wild and when the night is almost over  
Meet me in the middle of a moonlit Chevy bench seat and do a little bit of country song, hanging on  
You dont have to keep me fallin like this  
But itd sure be cool if you did You cant shoot me down cause you already knocked me dead  
Got me falling apart with my heart talking out of my head  
Let your mind take a little back road  
Just as far as you wanna go  
Baby Ill do whatever you wanna do You dont have to throw back your pretty pink lemonade shooter and lean a  
little closer  
You dont have to keep on smiling that smile thats driving me wild and when the night is almost over  
Meet me in the middle of a moonlit Chevy bench seat and do a little bit of country song, hanging on  
You dont have to keep me fallin like this  
But itd sure be cool if you did Have a night that you'll never forget  
And now you're standing in the neon  
Looking like a high I wanna be on You dont have to throw back your pretty pink lemonade shooter and lean a  
little closer  
You dont have to keep on smiling that smile thats driving me wild and when the night is almost over  
Meet me in the middle of a moonlit Chevy bench seat and do a little bit of country song, hanging on  
You dont have to keep me fallin like this  
But itd sure be cool if you did  
Yeah, it'd sure be cool if you did.
