

# Help Is On the Way

## Nancy Lamott

Dont give up the ship  
Even when you feel its sinking  
And you dont know what to do  
Dont give up your dream  
Even though you may be thinking  
It never will come true  
Life has its own ideas of how things come about  
And if you just hang in there, life is gonna work it outHelp is on the way  
From places you dont know about today  
From friends you may not have met  
Yet  
Believe me when I say  
I know  
Help is on the wayYou dont have to know  
Where the path youre on is leading  
You just have to walk along  
Dreaming as you go  
Asking for the things youre needing  
You never can go wrong  
If you have faith that things are happening as they should  
And just believe each step you take is leading you to something goodHelp is on the way  
From places you dont know about today  
From friends you may not have met  
Yet  
Believe me when I say  
I know  
Help is on the waySo open your heart, Open your mind  
No matter how youve tried and failed  
Tomorrow you could turn and find thatHelp is on the way  
From places you dont know about today  
From friends you may not have met  
Yet  
Believe me when I say  
I know  
Help is on the way  
Help is on the way  
Help is on the way
