Now and Later

Sage the Gemini

[Hook]
I can be your life saver
Treat me like a jaw breaker
You got 31 flavors, baby
You can get this now or later, now or later
You can get this now or later, now or later
It's your choice[Verse 1]
Stop playing, you acting like I don't this
Built an empire, you Cookie, I'mma be Lucious
Give me good head until you get a conclusion
If you don't come back, I think I'mma lose it
I think I'mma lose it
If I ever had your number, I think I would use it
I'm feeling some type of way, you know I hate losing
If your heart was in a bank, I'd rob it just to prove it
Come on, you a mean diva
I'll grab your [?] by the neck like I'm John Cena
You got a past, I didn't get to go to prom, either
So don't make it hard to believe that I need you
[Pre-Hook]
You're beautiful like spring time
Let me know you in the meantime
Hopefully, if things seem right
I'mma be needing your ring size[Hook]
I can be your life saver
Treat me like a jaw breaker
You got 31 flavors, baby
You can get this now or later, now or later
You can get this now or later, now or later
It's your choice[Verse 2]
I love attitudes, but not the drama
You made it to my heart, [?]
[?]
You know
Let me love you, put nothing above you
If we see your ex, I'll overly kiss and hug you
Make him jealous, now he's overzealous
Tryna act cool, I think he's overzealous
I don't mean no harm

I'm always there, Sage from State Farm
Whatever you do, don't ban me from your heart
I pray to God he don't keep us apart[Pre-Hook]
You're beautiful like spring time
Let me know you in the meantime
Hopefully, if things seem right
I'mma be needing your ring size[Hook]
I can be your life saver
Treat me like a jaw breaker
You got 31 flavors, baby
You can get this now or later, now or later
You can get this now or later, now or later
It's your choice[Bridge]
Let me see your [?]
You're a sugar rush to my sweet tooth
You're a sugar rush to my sweet tooth
You're a sugar rush to my sweet tooth
Let me see your [?]
You're a sugar rush to my sweet tooth
You're a sugar rush to my sweet tooth
You're a sugar rush to my sweet tooth[Hook]
I can be your life saver
Treat me like a jaw breaker
You got 31 flavors, baby
You can get this now or later, now or later
You can get this now or later, now or later
It's your choice
