

Police Encounters

FFS

From the West Coast gonna take a plane
Hit the East Coast gonna take an A train
 Hit the East Coast, going all the way
Why don't you come to Harlem?All the spies went out to sea
 But I remained in Harlem
 Had to pay my parking fees
Felt just like P.T. BarnumCaught a couple Pinter plays
 I should have stayed in Harlem
 Then I heard a policeman say
 I think we should disarm him
 I think we should strong-arm him
So out of place in HarlemThen I see you standing there
 In your dyed black hair
 And no underwearBomp bom diddy diddy
 Bomp bom diddy diddy
 Bomp bom diddy
 Police encountersBomp bom diddy diddy
 Bomp bom diddy diddy
 Bomp bom diddy
Police encountersCaught a couple Albee plays
 I should have stayed in Harlem
 Then I heard a policeman say
 Do your best to not alarm him
 I've got eyes for the policeman's wife
The policeman's wife,the policeman's wifeBomp bom diddy diddy
 Bomp bom diddy diddy
 Bomp bom diddy
 Police encounters
 Bomp bom diddy diddy
 Bomp bom diddy
 Bomp bom diddy
 Police encounters
 Diddy diddy,diddy diddy,diddy diddy
Police encountersUnions went on strike today
 But I remained in Harlem
 I've got eyes for the policeman's wife
 In her dyed black hair and her Bowie knife
 As I see her standing there alone

In her dyed black hair
and her Android phoneBomp bom diddy diddy
Bomp bom diddy diddy
Bomp bom diddy
Police encounters
