The Want

Android Lust

I feel my blood is runnin'
I feel my heart is pumpin'
I feel you in the airI'm gettin' so excited
Can no longer hide it
I feel you everywhereWhen I see you I feel so amazing
When I look at youI always think of you
I'm always wanting you
I'm always watching youClose my eyes and see
My instinct's tellin' me
Your the one I wantWhen I see you I feel so amazing
And I'm wanting youI want you I want you
I want you
I want your love
I want your love
I want your loveLet me feel your arms around me
would you feed me when I'm hungryAlways hope for you
Always watching you
Always wanting youWhen I see you I feel so amazing
And I'm wanting youLet me feel your arms around me
I want you
Would you feed me when I'm hungry
I want you
Let me feel your arms around me
I want you
Would you feed me when I'm hungry
I want youI want your love
I want your love
I want your loveWhen I look at you
I feel so amazing
And I'm wanting you
You're in my heart
You're in my soul
Man I'm wanting you yeaCHORUS :Let me feel you want to love me
Let me feel you want my body
Let me feel your arms around me
I hunger for your body
